Annual Faculty Lecture on Classical Culture

The Annual Faculty Lecture, created in 1998, is co-sponsored by the Puget Sound (formerly Seattle) Chapter of the Archaeological Institute of America and the UW Department of Classics. This is the essential formula for the lecture: “The Annual Lecture on Classical Culture is offered by the Puget Sound AIA in partnership with the UW Department of Classics. The hope is that over future years a broad spectrum of local faculty research on the cultures of the Greco-Roman world will be presented, with speakers from Classics or related departments, and the topic sometimes but not always strictly archaeological.”
